Helpful Reminders for Organ Students:

UNT Campus police may be reached at 940-565-3000. Dial 911 for Denton Police.

Dr. Matthews may be reached at 865-684-8746

If you find a practice room closed or accidentally close one, the Copy Room on the 2nd floor (the ground floor) of the College of Music can unlock the door. In addition, Profs. McCroskey, Conrady, and Matthews each have a key that will unlock the doors, too, should that be more expedient.

Keep your campus map with you just in case you need to refer to it.

Travel as a group from location to location!
