College of Music

Oral Defense Form

The Graduate Studies Office (GSO) sends the oral defense form to the major professor prior to the oral defense. When your document is approved by the Director of Graduate Studies (DGS), the oral defense form is sent to the Toulouse Graduate School (TGS) for processing. Students **do not** file this form.

Oral Defense Scheduling Form (MA, PhD, and DMA)

The Oral Defense Scheduling Form can be found in the Dissertations and Theses section of the Graduate Studies website. The form is due four weeks prior to the proposed date, so plan ahead. If completing DMA options 1 or 2, you are also responsible for reserving a lecture recital/lecture date through the Music Scheduling Office. Students **do** file this form.

Graduation Deadline is June 12: Doctoral Documents due to the GSO (two weeks prior to the TGS deadline).

The major professor must submit the oral defense form and pre-defense checklist (with committee and division chair signatures) to the GSO. The student must submit an electronic copy of the final defended document to the College of Music Graduate Studies Canvas site. You will be contacted via email (music.grad@unt.edu) when your document has been approved by the Director of Graduate Studies. After any necessary edits have been made, submit the final version of your document to the TGS through Vireo (instructions will be sent).

Rollover Graduation Deadline is July 10: see June 12 material due to the GSO.

If you have applied to graduate, you may qualify for the rollover deadline with Toulouse. Please contact a Graduate Advisor at music.grad@unt.edu for questions about the rollover deadline.
